Visit our channel on the YouTube portal with many interesting presentations and assembly videos. You will find the links on our new website [www.cetris.cz](http://www.cetris.cz).

Join us on Facebook. You not only get professional news, but also exclusive reference photographs and the option to contact us directly with any query.

Get our promotional materials, catalogues, brochures, price lists, technological and assembly procedures or samples. Request brochures from us and we shall send them free-of-charge to your office address. Our engineers will answer your queries and provide you with professional advice on the given task or problem, which you are solving. Join the discussions on our website and share your experiences, opinions or ideas on use of the CETRIS® cement bonded particleboards with us.

## CETRIS® Bim

Electronic catalogue for ArchiCAD, REVIT and ALLPLAN

Take advantage of the FREE opportunity to add extensions to your ArchiCAD and REVIT, which will ease your work with the CETRIS® cement bonded particleboards.
